Our congratulations to the past librarians and directors of the Enoch Pratt Free Library and to Mr. Edwin Castagna and the present staff on this 75th Anniversary. Without them the Library would never have achieved its present greatness as one of the most outstanding in the country. May its resources and services have even greater scope in the future.

We feel honored to be numbered among those selected to render our services to this renowned institution.

As such it shall have the power and authority to carry out the policies of the Association as determined at the annual business meeting and to conduct the business of the Association. Custody of all property of the Association shall be vested in the Executive Board. It shall also have the power and authority to formulate and promulgate policies for the Association between meetings, subject to the approval of the Association as may be necessary and as may be sought by mail ballot.

Section 3.—Any vacancy occurring on the Executive Board by reason of resignation or death may be filled by a majority vote of the remaining members of the Executive Board, except in the case of the President, when the President-Elect shall automatically assume the duties of the President and in the case of a division chairman, whose office shall be filled in accordance with the rules governing his division.

Section 4.—A majority of the members of the Executive Board shall constitute a quorum.

The President, subject to the approval of the Executive Board, shall appoint the chairmen and members of all standing committees as outlined in the Association's Manual. These committees shall consist of no fewer than three members. Standing committees shall be appointed for one year, their terms ending following the adjournment of the annual business meeting, except that of the Editorial Committee which shall correspond to the publishing year of the Association's journal.

Section 2.—SPECIAL COMMITTEES. The President, subject to the approval of the Executive Board, may appoint such special committees as he deems necessary to perform such duties as may be assigned by the Executive Board. Such an appointment shall terminate with the completion of the assignment or at the adjournment of the annual business meeting.

Section 4.—The duties of the above committees shall be as described in the Association's Manual and/or as may be assigned by the Executive Board.

## ARTICLE VIII—DIVISIONS

Section 2.—GOVERNMENT. Divisions shall have the privilege of electing officers and of drafting rules for their government not inconsistent with the Constitution and By-laws of the Association. They shall also have the right to subdivide into sections. The Chairman of each division shall be a member of the Executive Board. **Section 2.—QUORUM.** At any meeting of the Association for the transaction of business, one-eighth of the total membership shall constitute a quorum.

**Section 3.—MAIL VOTE.** Mail votes may be authorized by the Executive Board between meetings when in its discretion such action is warranted. For such mail votes fifty per cent (50%) of the voting membership shall constitute a quorum and a two-thirds majority of those voting shall be required to carry. The Executive Board shall have the authority to set the time limit during which such votes will be accepted and the mechanics of the balloting.

#### ARTICLE X—NOMINATIONS AND ELECTIONS

**Section 1.—COMMITTEE.** The President, with the approval of the Executive Board, shall appoint a Nominations and Elections Committee, no one of whom shall be a member of the Executive Board, to nominate candidates for elective office for the next succeeding elections. **Section 2.—CANDIDATES.** Two candidates for each of the elective offices shall be presented. Names of candidates, together with their written acceptances, shall be presented by the Committee to the Executive Board not later than two months before the annual meeting. The Board shall cause these nominations to be printed in the first issue of the journal following this date and/or make suitable provision for informing the membership.

**Section 3.—ELECTIONS.** The Committee shall prepare an official ballot which shall include the professional position and business address of each nominee. The ballot shall be mailed either separately or as part of the Association's journal to each member at least thirty (30) days before the annual business meeting of the Association. Ballots shall be marked and returned to the Committee Chairman. Ballots to be accepted and counted must be postmarked not later than ten (10) days prior to the date of the annual business meeting. The candidate for each office receiving the largest number of votes shall be declared elected and shall be reported at the business session of the annual meeting of the Association by the Committee Chairman. In case of a tie vote, the successful candidate shall be determined by a majority vote of the members present and voting in the annual business meeting.
